

## Job Application Form Task

- Please read the form: [link](#)
- Prepare test cases for the User Story given below
- Think about what is worth checking beyond what is described in the Acceptance Criteria and offer your suggestions
- What defects/issues did you find?
- Please prepare a report on any defects found and a sample defect report

**User Story:** As a candidate looking for a job, I would like to be able to apply for a selected position via the Job Application form.

### **Acceptance Criteria:**

1. The form cannot be sent without completing the required fields:

- Full Name
- E-mail
- Phone Number
- What position are you applying for?
- Available start date
- What is your current employment status?
- Are you willing to relocate for this position?
- Upload CV
- Captcha

2. The form contains fields that are not required:

- How do you prefer to submit your CV?

There is **1** error on this page. Please correct it before moving on.

See Errors

- ☒ Employed ☐ Unemployed  
☐ Self-Employed ☐ Student

Are you willing to relocate for this position? \*

- ☒ Yes ☐ No

How do you prefer to submit your CV?

- ☐ Upload File ☒ Provide URL

Upload CV \*

  
**Upload a File**  
Drag and drop files here

**This field is required.**

No file chosen

Please provide any additional information about yourself

`<script>alert(123)</script>`

LinkedIn profile URL

`https://www.onet.pl`

`https://www.linkedin.com/in/example-example`

Please verify that you are human \*

 I'm not a robot

  
reCAPTCHA  
[Privacy](#) - [Terms](#)

- Please provide any additional information about yourself
  - LinkedIn profile URL
3. Available values for the field: *Which position are you applying for?* (alphabetical order):
- Customer Support Manager,
  - Marketing Manager,
  - Project Manager,
  - Product Manager,
  - Sales Manager.

- \* ^^ that's not an alphabetical order\*\*\*\*
- **there is an "empty" field in a drop-down menu**
- **project manager is missing**
- **data in drop-down is not in an alphabetical order**

4. *Available start date*: date picker filed.

- **OK**

5. Single choice properties fields:

- *What is your current employment status?*
  - **OK**
- *Are you willing to relocate for this position?*
  - Current behavior:
    - **It's not a single choice property field**
    - **they are a checkbox fields**
    - **it's possible to select both answers "Yes" and "No" in the same time**
    - video 1
- *How do you prefer to submit your CV?*
  - **Selecting "provide URL" doesn't deactivate upload file field**
  - **There is no place to provide URL or "Please provide any additional information about yourself" is that place**

7. *The Upload CV field* allows you to attach a file in .doc, .docx, and .pdf format. The file cannot be larger than 1 Mb. The limit number of files is 1. When you hover your mouse over it, a tooltip should appear with the following information: *You can attach a file in .doc, .docx, and .pdf format. The file cannot be larger than 1 Mb. The limit number of files is 1.*

- **tooltip is probably wrongly placed, a bit off to the top**
  - video 2
- **1 MB it's a bit too low limit IMHO**

8. *Please provide any additional information about yourself* field: Limit the number of characters allowed for this field to a max of 100

- **currently you can place 105 characters**

9. The *E-mail* field has standard validation for valid e-mail addresses

- **but we can have a strange domains example ".asfasg43"**
- **but we can have "!" in the email address, not possible with RFC 5322**

Full Name \*

Phone Number

What position are you applying for? \*

Product Manager

Available start date: \*

08-08-2024

Date

What is your current employment status? \*

☒ Employed

☐ Unemployed

☐ Self-Employed

☐ Student

Are you willing to relocate for this position? \*

☒ Yes

☐ No

How do you prefer to submit your CV?

☒ Upload File

☐ Provide URL

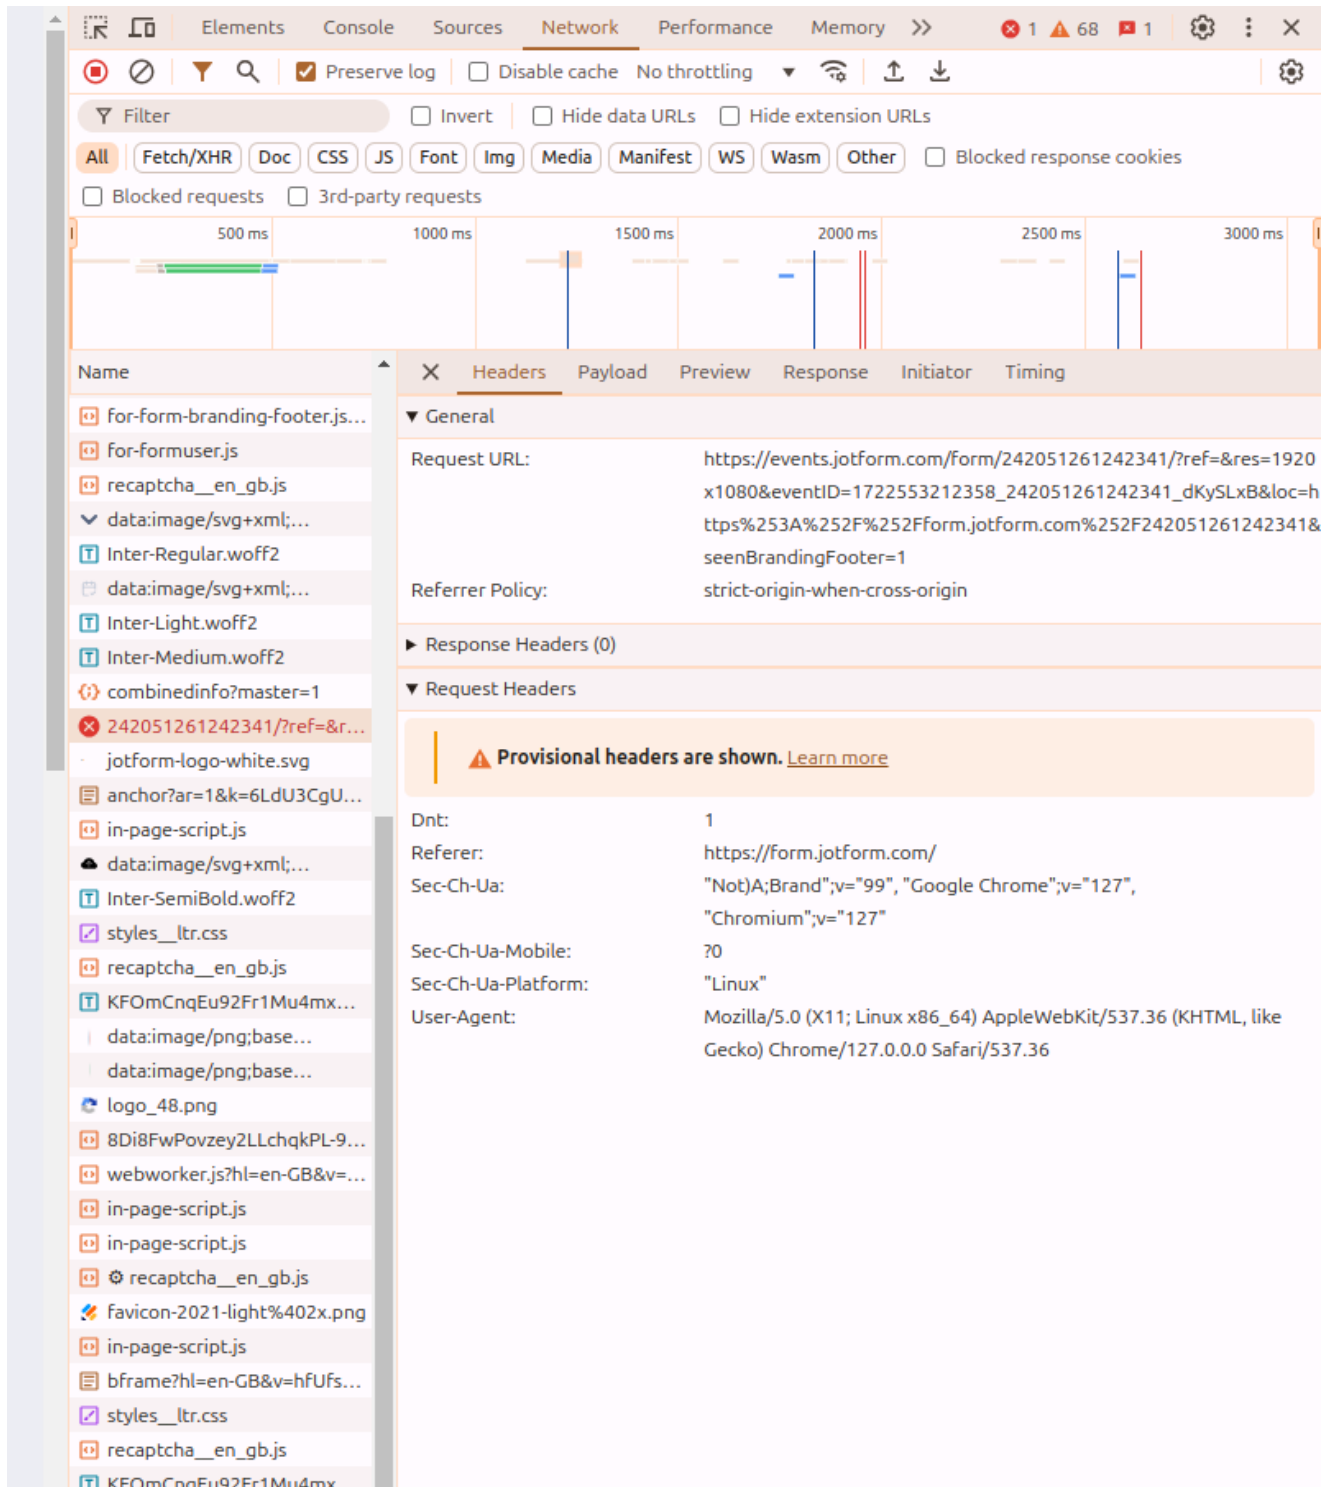

Upload CV \*

Upload a File

10. A validation message is displayed below the *E-mail* field when you try to submit a form with an incorrect e-mail address

16. Save button > **assuming OK**
17. Submit button > **OK**
18. Clear Form button
  - **\*\*clear form does not clear the attached file**

## Test Cases for the User Story

### Test Case 1: Verify Required Fields are Mandatory

#### Steps:

Leave all required fields empty.

Attempt to submit the form.

Expected Result:

The form should not be submitted, and validation messages should appear next to each required field indicating that the field is mandatory.

#### Test Case 2: Validate Email Field

##### Steps:

Enter an invalid email format (e.g., "email@domain").

Attempt to submit the form.

##### Expected Result:

A validation message should appear below the email field indicating that the email address is not valid.

#### Test Case 3: Validate Email Confirmation

##### Steps:

Enter a valid email in the "Email" field.

Enter a different email in the "Confirm Email" field.

Attempt to submit the form.

##### Expected Result:

A validation message should appear indicating that the email addresses do not match.

#### Test Case 4: Validate Phone Number Field

##### Steps:

Enter a phone number in an incorrect format.

Attempt to submit the form.

##### Expected Result:

A validation message should appear below the phone number field indicating the correct format.

#### Test Case 5: Validate "What position are you applying for?" Field

##### Steps:

Leave the "What position are you applying for?" field empty.

Attempt to submit the form.

##### Expected Result:

A validation message should appear indicating that the field is mandatory.

#### Test Case 6: Validate Available Start Date

##### Steps:

Leave the "Available start date" field empty.

Attempt to submit the form.

##### Expected Result:

A validation message should appear indicating that the field is mandatory.

#### Test Case 7: Validate Current Employment Status

##### Steps:

Leave the "What is your current employment status?" field empty.

Attempt to submit the form.

Expected Result:

A validation message should appear indicating that the field is mandatory.

#### Test Case 8: Validate Relocation Preference

##### Steps:

Leave the "Are you willing to relocate for this position?" field empty.

Attempt to submit the form.

Expected Result:

A validation message should appear indicating that the field is mandatory.

#### Test Case 9: Validate CV Upload

##### Steps:

Leave the "Upload CV" field empty.

Attempt to submit the form.

Expected Result:

A validation message should appear indicating that the field is mandatory.

#### Test Case 10: Validate CV Upload File Type and Size

##### Steps:

Attempt to upload a file that is not in .doc, .docx, or .pdf format.

Attempt to upload a file larger than 1 Mb.

Expected Result:

Validation messages should appear indicating that the file type is not supported or the file size exceeds the limit.

#### Test Case 11: Validate CAPTCHA

##### Steps:

Leave the CAPTCHA field empty.

Attempt to submit the form.

Expected Result:

A validation message should appear indicating that the CAPTCHA is required.

#### Test Case 12: Validate URL Fields

##### Steps:

Enter an invalid URL in the LinkedIn profile URL field.

Attempt to submit the form.

Expected Result:

A validation message should appear below the URL field indicating that the URL is not valid.

#### Test Case 13: Verify Optional Fields

Steps:

Leave all optional fields empty.

Fill in all required fields.

Submit the form.

Expected Result:

The form should be submitted successfully without requiring optional fields.

#### Test Case 14: Check Tooltip for CV Upload

Steps:

Hover the mouse over the "Upload CV" field.

Expected Result:

A tooltip should appear with the message: "You can attach a file in .doc, .docx, and .pdf format. The file cannot be larger than 1 Mb. The limit number of files is 1."

#### Test Case 15: Validate Character Limit in Additional Information

Steps:

Enter more than 100 characters in the "Please provide any additional information about yourself" field.

Attempt to submit the form.

Expected Result:

A validation message should appear indicating that the maximum number of characters allowed is 100.

#### Test Case 16: Verify Save Button Functionality

Steps:

Enter data into some of the fields.

Click the "Save" button.

Expected Result:

The form data should be saved, and a message should appear indicating that the data has been saved.

#### Test Case 17: Verify Clear Form Button Functionality

Steps:

Enter data into some of the fields.

Click the "Clear Form" button.

Expected Result:

All the fields should be cleared, and the form should be reset to its initial state.

## Additional Suggestions

### Suggestion 1: Validate Country Code Format

#### Description:

Ensure that the country code in the phone number field is validated to include only numbers and is in the correct format.

### Suggestion 2: Auto-format Phone Number

#### Description:

Implement auto-formatting for the phone number field to help users enter their phone numbers in the correct format.

### Suggestion 3: Confirmation Message on Successful Submission

#### Description:

Display a confirmation message or redirect the user to a confirmation page upon successful form submission.

### Suggestion 4: Progress Indicator

#### Description:

Add a progress indicator or steps to show the user how far along they are in the application process.

### Suggestion 5: Accessibility Checks

#### Description:

Ensure the form is accessible, including proper labeling for screen readers, keyboard navigation support, and color contrast checks.

### Suggestion 6: Mobile Responsiveness

#### Description:

Ensure the form is mobile-responsive and can be easily used on different devices with various screen sizes.
